Translated by: Su Jing

腾讯动漫

Did you hear? Class 1's Xu Rui is having a birthday party tomorrow night!
Right~ I really want to go!

I heard he only invited his classmates, so there's no chance for us—
Eh~~

Xu Rui...
is having a birthday party?
Why am I not in his class~~!
Just look at your grades!

What are you wearing tomorrow?
Wanna get presents after class?
Sure!
It'd be too unsophisticated not to wear an evening gown!
But recently, my stomach...
Then let's just wear our school uniforms! If we wear it together it won't be awkward~
No way!

Xu Rui's birthday party...
It seems everyone is talking about it—

Xu Rui
is our school's most well-known and popular king.

Morning, everyone

He's handsome, and sought after by many female students.
Xu Rui! You're nearly late!
Morning~

Gets along with everyone, has outstanding grades, is good at every sport, and comes from a very well-off family——
The weather's been so cool and refreshing, so before I knew it...
Quit pretending, it's because you were gaming late, right?

Xu Rui! What if I give you a girlfriend tomorrow?
The blow-up kind!
Stop joking around.

Morning, Meng Yixi.

For this kind of person,
I understand why my classmates are so excited.
5 5 5——

I, on the other hand...
Hey, just look at this guy——

Xu Rui went out of his way to greet her,
yet she doesn't acknowledge him at all.
Everyone, class is starting!
That's right~ Xiaomo,
I've never been treated that well~
Jeez,
what a waste of one's good intentions!
Right, Xu Rui's celebrating his birthday tomorrow!
I sure hope we won't have to see her face there.
Girls,
stop that whispering!
Yes~!

Xiaomo, will you wear an evening gown?
Yup~
Won't that be a bit excessive? Aiya—!
Ya!
Apologies, apologies~
Don't hit it so hard, yeah?

——Ya!

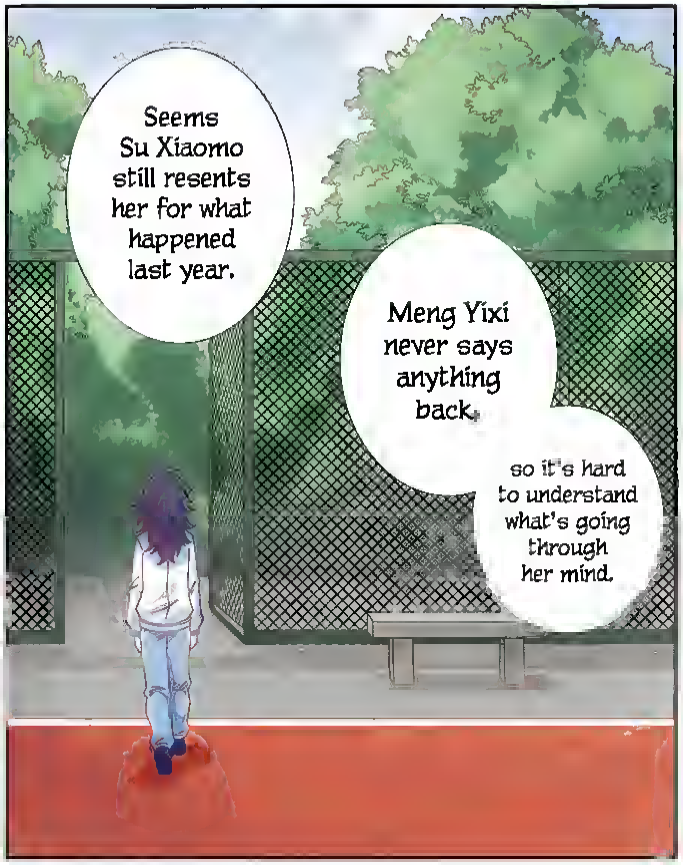
Sorry about that!

I wasn't looking ahead of myself...
Ah!

—Hey, it's you again?
Xiaomo?
What happened?

Standing in a place like that, were you trying to get in my way?
Ai, Xiaomo, just ignore her.
pat
pat

What happened with the girls?
It's Meng Yixi again.



Seems Su Xiaomo still resents her for what happened last year.
Meng Yixi never says anything back,
so it's hard to understand what's going through her mind.

...Yeah

That is...?
You're always the last one to leave—

Xu Rui?
I have something I want
to say to you.

What does he want to tell me?
Excuse me...
About that—
.....
Why isn't he saying anything?
I feel so inexplicably awkward...

...so embarr-assing!
Haha,
it's just that I'm having a birthday party tomorrow and didn't know if I told you.
So, I came to ask you
Meng Yixi, you'll come right?
That,
I won't go...

All our classmates are going,
so you should also—
But,

But if I were to go...
It might create some misunder-standings, so...

Since it's a misunderstanding, you should't just take everyone's criticisms like some criminal.
It's those who don't know the full matter and blame you that are in the wrong.

Xu Rui...

So then, you'll come?
